The following letter outlines the after school enrichment clubs available to children during the Autumn Term 2023. The club timetable over the page details what day the clubs are running and which year groups they are open to. Please read this information carefully before choosing the clubs that your child would like to attend and returning the slip attached to this letter. Please note that you will not be able to sign up for any clubs without this slip. Club spaces are limited and unfortunately not open to all children due to the nature of how they are run. Clubs will begin on Monday 25th September 2023 and the final day of clubs will be Friday 15th December 2023, clubs run from 15:30 and children need to be collected at 16:30 from Roseberry Place, from the large pupil gate.

The clubs will be allocated on a first come first served basis, bookings for clubs can only be taken once all other monies owed to the school are paid (through [Parent Pay](#)). These monies include payments for breakfast club, school dinners, extended day and additional care provided within the school such as those in our Nursery and Preschool. Please fill in the slip prior to coming to the school to sign up for clubs, see an example at the bottom of this page. You will need to come to school in person to queue up to be allocated a club space, we do not take cash payments on the day so payments will be made via ParentPay.

The prices of the different clubs are detailed on the timetable over the page. If you pay for your child to attend after school provision until 6pm the cost of the £22 clubs is included in the price you pay. However if your child is selecting a club that is £33 the difference of £11 will need to be paid for the term, Please ask your child to select clubs and return the slip to school a.s.a.p. to secure particular clubs, if this is not done we will have to select clubs on their behalf.

Once you have booked your place, to secure it you will need to pay via Parent Pay within 2 days of the booking being loaded onto your account. You can select as many clubs as you like however spaces are limited so you need to ensure you sign up as soon as possible. Please note the timetable below for signing up as **no additional bookings will be taken after that time**. Once children are signed up for clubs the school creates registers for each club therefore it is not possible for bookings to be changed or refunded once they are made. We will continue to share our provision with children from De Beauvoir Primary school.

If your child is a school councillor you will find that information on their slip attached to the letter it tells you what day that is so that you do not book them into a club on the same night. In the event that you are 10 or more minutes late to collect your child from the enrichment club a £10 fee will be applied. Children who are collected late twice will have their place withdrawn from the club for the remainder of the school term, there will be no refunds. Collection is from the back of the school, the same place as 15:30 end of school day collection.
