The following letter outlines the after school enrichment clubs available to children during the Summer Term 2025. The club timetable over the page details what day the clubs are running and which year groups they are open to. Club spaces are limited and unfortunately not open to all children due to the nature of how they are run. Clubs will begin on **Monday 28th April 2025** and **the final day of clubs will be Friday 11th July 2025**, clubs run from 15:30 and children must be collected at 16:30 from Roseberry Place, from the large pupil gate, **not the front office**.

The clubs will be allocated on a first come first served basis, bookings for clubs can only be taken once all other monies owed to the school are paid (through [Parent Pay](#)). These monies include payments for breakfast club, school dinners, extended day and additional care provided within the school such as those in our Nursery and Preschool. You will need to log into **ParentPay** and book the club space, payment will be required immediately to do so. We do not take cash payments on the day so payments will be made via ParentPay.

The prices of the different clubs are detailed on the timetable over the page. If you pay for your child to attend after school provision until 6pm the cost of the clubs is included in the price you pay. However if your child is selecting a club that incurs a surcharge, the difference will be calculated by the office and will need to be paid for the term.

If your child is a school councillor do not sign them up for a club on a Thursday as this is School Council day.

In the event that you are 10 or more minutes late to collect your child from an enrichment club, a £10 fee will be applied. Children who are collected late twice will have their place withdrawn from the club for the remainder of the school term. There will be no refunds. Collection is from the back of the school (Roseberry Place entrance), the same place as 15:30 end of school day collection.

Club Details and Timetable For Summer Term
