Head Teacher: Rebecca Mackenzie

The following letter outlines the after school enrichment clubs available to children during the Spring Term 2026. The club timetable over the page details what day the clubs are running and which year groups they are open to. Club spaces are limited and unfortunately not open to all children due to the nature of how they are run. Clubs will begin on **Monday 12th January 2026** and **the final day of clubs will be Friday 20th March 2026**. (Extended Day will end on Thursday 26th March)

You are receiving this letter early as your child attends Extended Day.

Please select clubs with your child ONLY for the days your child attends Extended Day.

If there are days your child does not attend Extended Day, you will have the option to sign up via ParentPay once Enrichment clubs are live.

The prices of the different clubs are detailed on the timetable over the page. If you pay for your child to attend after school provision until 6pm the cost of the clubs is included in the price you pay. However if your child is selecting a club that incurs a surcharge, the difference will be calculated by the office and will need to be paid for the term, Please ask your child to select clubs and return the slip to school a.s.a.p. to secure particular clubs - if this is not done we will have to select clubs on their behalf.

Please note that After School Clubs can only be accessed if your child does not have outstanding debt on their ParentPay account.
